March 2012

Half term: Monday 13th February -
Friday 24th February

ISTD Exams: Sun 1st April TBC

Examinations and Classes

This term our younger children have been preparing for their Primary and Grade 1 Ballet Exams and I'm sure that they all enjoyed their Exam on Sunday 11th December. Thank you to all parents and grandparents who have helped their child to practise as if really makes a difference.

Next term we have children entering a special exam for 2012 Olympic Award. If your child is eligible for this award you will have received your additional class schedules with your account.

To register your child for additional subjects please let me know and if you have younger siblings wishing to join classes in the New Year please register them ASAP. We have some places left for Modern & Tap. Musical Theatre has proved very popular this year and Street classes have also started on a Thursday afternoon with Miss Hannah.

Please remember that half a terms notice is required in writing otherwise next terms fees are payable. Timetables are planned to cater for the children at least 3-6 months in advance. Please check your accounts carefully as several classes have a slight change in time after Christmas.
