Exams

Well done to all the Ballet candidates who took their Exams in December. We achieved a 100% pass rate again with some excellent marks! Very well done to you all.

This term we have children preparing for their Primary, Grade 1 & Grade 2 Modern Exams scheduled for Sunday March 27th. It is really important for the children to practice their work at home & the extra effort does make a difference. Please encourage (bribe!) your child as best you can.

If your child has been offered a Tap Exam in the summer term please return your reply slip to ASAP if you have not already done so in order for me to apply for an Exam session.

Modern & Tap Classes & Musical Theatre

If you would like to register your child for these classes please let me know and if you have younger siblings wishing to join classes in the next academic year please register them ASAP as places are now limited.

Hair

Hair should be tied back and off the face for all classes. In Ballet classes hair should ideally be in a bun but it is appreciated that this may not always be feasible!

Really Important—Please Read!
