Autumn Term Dates

End of Term: Friday 5th December
Half term: Monday 24th October-Friday 4th November
ISTD Ballet Exams: Sun 11th December

Please note half term is 2 weeks.

Examinations and Classes

We had another successful term with our Tap examinations back in the summer. Congratulations on 100% pass rate as usual and some very high marks!

This term our younger children are preparing for their Primary and Grade 1 Ballet Exams which are scheduled for early December. Do help your child to practise their work as if really makes a difference. If you they have any concerns do email me.

I am also hoping to prepare children who are Grade 1 and above and study at least 2 disciplines for the 2012 Olympic Award. If your child has been offered this class and you have not yet replied please do so asap. If you would like to register your child for additional subjects please let me know and if you have younger siblings wishing to join classes in the new year please register them ASAP. We have some places left for Modern & Tap and Musical Theatre has proved very popular this year. Street classes have also started on a Thursday afternoon with Miss Hannah.

Reminder

Please remember that half a terms notice is required in writing otherwise next terms fees are payable. Timetables are planned to cater for the children at least 3-6 months in advance.
